RESPONSE TO NOTICE TO FILE MISSING PARTS OF APPLICATION

MS Missing Parts
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Notice to File Missing Parts of Application mailed March 15, 2006, Applicants respectfully submit a copy of the Sequence Listing in computer readable form, Statement under 37 C.F.R. § 1.821(f), and Part 2 Copy of Notice to File Missing Parts.

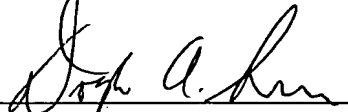

The Notice to File Missing Parts indicates that a copy of the Sequence Listing in computer readable form has not been submitted. Applicants respectfully contend that this statement has apparently been made in error. Applicants did, in fact, submit a Sequence Listing in computer readable form (along with a paper copy) when the present application was filed on September 20, 2003. In evidence of this assertion, Applicants submit herewith a copy of the date-stamped postcard (dated 09/20/2003) indicating USPTO receipt of the Sequence Listing in computer readable form (1 copy of CD-R disk). In case the USPTO is no longer in possession of the originally filed Sequence Listing, we are resubmitting herewith a copy of the Sequence Listing in computer readable form on CD-R, along with a Statement certifying the identify of the content of the sequence listing.

If there are any fees not already accounted for due in connection with the filing of this paper, please charge the fees to our Deposit Account No. 08-3425. If a fee is required for an

extension of time under 37 C.F.R. § 1.136, such an extension is requested and the fee should also be charged to our Deposit Account.

Dated: May 15, 2006

Respectfully submitted,

By
